Sue Wigetman	1/31/61	Fr.	Diver	Framingham North	Framingham, Massachusetts

1979 - 80 SWIMMING OUTLOOK

In four years as the head mentor of the women's swimming team, Coach Lisa Papa has seen steady improvement and a constant climb in her teams' Eastern standings. With the return of 10 letterwinners from last season's 9th place Eastern Region finishers and the influx of three promising recruits, this year's outlook is clearly to continue the team's upward trend.

Last year's Terrapin squad set new team records in all but one event (23 out of 24) and broke four pool records. Junior Nancy Farming leads the list of top returnees. A three-time team record holder, Farming was an EAIAW and ACC finalist in the breaststroke. Providing depth in the breaststroke event will be sophomore Anne Buyer.

Co-captain Judy Dwyer returns for her junior year and should provide the team with strong leadership and experience in the freestyle event. Two-time team record holders Suzanne O'Hara (200 and 400 I.M.) and Donna Tricarico (100 and 200 Fly) give the Terrapins a sound base in their respective events. Rounding out the list of veteran swimmers are senior Kathy Paras (Fly/Free) and junior Eleni Nasou (Backstroke).

Offsetting the loss of graduated senior Betsy Rafferty, who holds team records in three freestyle events, are incoming freshmen Kathy SMith and Barbara Schmidt. Smith, an AAU junior national finalist in the 100 yard freestyle event, will team up with fellow freshman Schmidt, a quarterfinalist at the AAU Junior National Championships, to make the freestyle event the Terrapins strongpoint.

In voicing pleasure with her two new freestylists, Coach Papa is quick to point to the second and third strokes the two recruits bring with them. Smith will add depth in the Fly event, while Schmidt looks to aid the I.M. and Backstroke events.

One other newcomer capable of making her presence felt is Carolyn Hunger. A native of St. Laurent, Quebec, Hunger was a 1976 Silver Medal winner in the 200M backstroke in the Division II Championship and took a gold and silver in 1978 in the 200 and 100M backstroke at the Quebec Intercollegiate Provincials. Standing 6'4", the talented Canadian, should, without a doubt, aid the Terps this season.

Co-captain Kelly Ciabaton heads the list of returning divers. Joining her are sophomores Melanie Gillet and Casey Warner. The diving team will be looking to defend their first place finish at the Penn State Diving Invitational.

THE COACHING STAFF

LISA PAPA - Head Coach - Lisa has served as head coach for the Maryland women's swim team for four years. Her goal for Maryland swimming, that of gaining national prominence, has fast become reality as evident through their four year 26-13 record and their consistantly improved finishings at the EAIAW Regional Tournaments. (1976-33rd, 1977-17th,1978-11th, 1979-9th.)

Lisa is a 1973 graduate of Brockport State College. There she received her B.S. in Physical Education and then went on to obtain her Masters from the University of Maryland in 1976. An AAU swimmer and coach, Lisa has also coached Summer League teams in the past. For the past two summers she has been a member of the coaching staff for the Jack Nelson Swim Camp at the Swimming Hall of Fame Pool in Fort Lauderdale, Florida.

As well as entering her fifth year as head swimming coach, Lisa continues her role as Administrative Assistant to Chris Weller. Lisa's primary duties as an assistant administrator include scheduling and travel coordination.

TOM GRIFFITHS - Tom Griffiths has served as the Terrapin Diving coach for six years. He is a graduate of Southern Connecticut where he received his B.S. in Physical Education in 1971.

While in College he competed as a diver for Dr. Bruce Hutchinson, a former Maryland Freshman Swimming Coach. He was the only Diver at Southern Connecticut to ever be elected Co-Captain.

Griffiths was the Diving Referee for the N.C.A.A. Division III Championships in 1975 and the Diving Referee for the Division II Championships in 1977.

He received his Masters of Arts from Maryland in August of 1973 and is presently working towards his Doctorate. A full-time aquatic instructor in the Physical Education Department, Tom specializes in scuba diving and springboard diving.

COACHING STAFF, cont'd...

JOE HANNAH -- Assistant Coach.

-- Swam in 1969-72 at Liverpool High School in New York

-- Swam in 1973-77 at St. Lawrence University and Allegheny College.

-- Served as Assistant Coach at Southern Methodist University in 1978-79

-- Earned his B.A. in Political Science from Allegheny College in 1977

-- Has begun his work towards his Ph.D. in Exercise Physiology at the University of Maryland this year.

JEFF MILLER -- Assistant Diving Coach

-- Outstanding diver from 1972-76 at the University of Pittsburgh

-- Captained his college team in 1976.

-- Eastern 1 Meter Champion in 1975

-- Eastern 1 & 3 Meter Champion in 1976

-- NCAA qualifier for three year --- in both the 1 & 3 Meter events.

-- Diving Coach at West Virginia University from 1977-79; coached both the men's and women's squad at W.VA.

MEET THE TERPS

CLASS OF 1980:

Kathy Paras -- Alexandria, Virginia...member of the Greek National Swim Team... swims fly and distance freestyle...participated in the Eastern Association for Intercollegiate Athletics for Women Swimming and Diving Championship.

CLASS OF 1981:

Kelly Ciabaton -- West Reading, Pennsylvania...Diver...holds the team record in the 3 Meter diving event...qualified for Nationals in the 3 Meter event...member of the diving squad that took 1st place in the 1978-79 Penn State Diving Invitational...ACC and EAIAW finalist in the 1 Meter Diving event...Elected CO-Captain for the 1979-80 swim season.

Judy Dwyer ----New Canaan, Connecticut...Sprint Freestyle...team and pool record holder in the 50 yard freestyle...also holds a team record as a member of the 200 freestyle relay team...elected CO-Captain for the 1979-80 swim season.

Nancy Farning -Floral Park, New York...Breaststroker...outstanding competitor... holds the 1976-77 New York State and Metro record in the 100 Breaststroke...holds three team and two pool records in the breaststroke events...ACC and EAIAW finalist in the 50 and 100 breaststroke.

Eleni Nesou -- Kensington, Maryland...backstroker...wone the 100 backstroke event in the 1977 Greek National Championship...finalist in the 50 backstroke at EAIAW Regional championship.

Suzanne O'Hara - Derwood, Maryland...Individual Medlist...holds team records in the 200 and 400 I.M....participated in the ACC and EAIAW championships.

CLASS OF 1982:

Anne Buyer - - Rockville, Maryland...breastroker...participated in the ACC and EAIAW Championships...gives depth to the breaststroke events.

[illegible] -- West Reading, Pennsylvania...transfer from Springfield College... Diver...placed 2nd in the 1 Meter event at the UMCA Pennsylvania State Diving Championships and 5th at the DIAA Districts in 1978... Finished 9th in the New England Women's Intercollegiate Swimming and Diving Association Meet in 1979...qualified for Small College Nationals in 1 and 3 Meter Diving.

Melanie Gillet - Syracuse, New York...Diver...holds team record in the 1 Meter diving event...finalist in the ACC and EAIAW 1 and 3 Meter diving events...member of the diving squad that took 1st place in the 1978-79 Penn State Diving Invitational.

Donna Tricarico - Brooklyn, New York...freestyle and butterfly...holds team records in the 100 & 200 Fly events.

Casey Warner -- Annapolis, Maryland...Diver...gives depth to both the 1 and 3 meter events...member of diving squad that took first place at the Penn State Diving Tournament.

CLASS OF 1983:

Evelyn Buswell - Crofton, Maryland,..Breaststroker,..swam for Howard and Severna Park YMCA...participated in the YMCA Nationals in 1977 after returning from a four year absence from swimming...shows a great deal of potential.

Carolyn Hunger - St. Laurent, Quebec, Canada...backstroker...participated in the Eastern Canadian Championships...1976 Silver medal winner in the 200 meter backstroke for Division II Championship...1978 Gold and Silver Medalist in 200 meter and 100 meter backstroke at Quebec Intercollegiate Provincials.

The M Club

After the consolidation of the University in 1920, a desire developed among athletes at the University for a monogram club. The philosophy behind the organization was to foster a strong intercollegiate athletic program at Maryland, conducted under amatuer and high school scholastic standards.

During the past 55 years the M Club has served to support, improve and enhance Maryland's intercollegiate athletic program by stressing the promotion of amatuerism, courtesy and fair play by the athletes.

The recognition of individual student-athlete accomplishments and the honoring of those who have contributed to the success of the University Athletic Program is done at the Annual M Club dinners. Through ist annual dinners and other programs it has brought to the attention of the citizens of the State, the Metropolitan area and the nation the high and exciting quality of the University of Maryland Athletic Program.

ACADEMIC ENVIRONMENT

The University of Maryland is a member of the American Universities and Colleges which selects the top fifty university systems in the country. It is currently the seventh largest university in the nation -- and, with such size, come quality. This means better facilities, not only in the day-to-day classroom, but also in the research and faculty staff. Our teacher staff consists of over 6,000 personnel -- which brings our student/professor ratio down to 16-1. This allows us to offer a degree in a variety of fields (122) on the undergraduate level, as well as on the graduate level (58 graduate programs, 53 doctoral programs.) With such great flexibility in the curriculum, you also have a flexibility in your desired course of study which you may not enjoy at many other schools.

Not only is your education at the University of Maryland highly flexible, but it is also one of high quality, developed with many years of experience. Our school for Dentistry is the finest dental school in the world; the School of Pharmacy is the third oldest in the nation; and the College of Agriculture is the third oldest in the Western Hemisphere. The University of Maryland is rich in experience and history, but also has its eye to the future in all fields. The Laser Ranging Retro Reflector experiment placed on the moon by the Apollo II astronauts was developed by a group of scientists headed by a University of Maryland professor. Recently our College of Education won the "Distinguished Achievement Award for Excellence in Teacher Education." This award is given each year to only one university. This campus also has the world's largest sectored isochronous Cyclotron which is available to students.

In many respects the College Park campus is a city of young people with all the advantages, excitement and problems of a community. While the focus of the campus community is on its academic and intellectual activities, the campus has its own daily newspaper, its own police department, an 18 hole golf course, hotel, stores, movie house, theatre, art gallery, pub, bowling alley, tennis courts and swimming pools. It is a Georgian-Colonial campus with nearly 200 buildings spaced across a rolling 1300 acre park-like setting.

The facilities, faculty, history, and flexibility are not our only strengths. The University of Maryland is totally committed to to the individual student, regardless of whether he or she is a freshman or a candidate for a Ph.D. A full-time advisor is provided by our Athletic Department for personal and vocational counseling for student athletes.

We, at the University of Maryland, are extremely proud of our academic programs and will continue to live up to the outstanding academic record we have set.
